Dear Community Member,

Season's Greetings!

The holiday season is quickly approaching, and we are continuing our annual tradition of creating holiday baskets for low-income families who have a child with a disability. Each year, we are humbled by the generosity of this community! Expenses for families is at an all-time high, and research shows that raising a child with special needs can more than *quadruple* the cost, making holidays exceptionally difficult. We are thankful for the unwavering support donors have provided to our families in the past and we hope you will consider contributing again in one of these ways:

- Sponsorship of a family – STRiVE will provide the sponsor with a wish list; the sponsor will purchase gifts and/or food for a specific family
- Cash donations that STRiVE will use to purchase food, toys, and gift cards
- Gift cards for groceries, toys, and essentials for the family

If you would like to sponsor a family or donate toward our holiday basket program this year, please contact me by December 8th. All gifts need to be in by December 14th.

Please remember ANY contribution helps us reach our goal of supporting 30+ families this holiday season. Thank you for helping make this season a more joyous time of year for a special family!

Sincerely,

Tanya Workman
